Class Drop Info:

- We expect that you have registered with the intention of being in the class for the entire year; therefore, please attempt to work with the teacher if possible before deciding to drop a class.
- When dropping class(es), **please notify the appropriate class facilitator(s)** so a waiting student can take your student's vacated spot.

If you are dropping Legacy entirely, please **notify the Registration Director** (Julie Dillon) in addition to notifying the facilitator for each class.
