HOMESCHOOL CENTER

P.O. Box 3325, Redmond, WA 98073-3325

OUR MISSION

In order to further equip parents, who are ultimately accountable for the instruction and training of their children, the mission of Legacy Homeschool Center is to establish a Christian homeschool cooperative that would endeavor:

For Parents: To provide academic instruction, which would enhance their effort as they fully accept the Biblical responsibility to "train up a child in the way he should go." (Proverbs 22:6)

*For Children: To provide excellent academic instruction from a Biblical Christian worldview ~To inspire a love for learning~
~To equip them to think clearly, concisely, and critically with character reflecting that of our Lord, Jesus Christ. (1 Cor. 8.1b)*

WELCOME TO OUR 16TH YEAR OF HOMESCHOOL ENRICHMENT

Legacy is designed to offer homeschool enrichment electives to parents who are homeschooling in the state of Washington under the Home-Based Instruction law, RCW 28A.200.010. We meet Thursdays, September through June (see calendar for specific dates), at Overlake Christian Church, located at 9900 Willows Road NE, Redmond, WA.

The teachers determine the course content, materials, and cost of each class. All teachers are required to sign and be in agreement with our Statement of Faith and Mission Statement (available upon request). Parents are welcome and highly encouraged to attend classes with their children.

All parents are required to:

- Fulfill an assigned job and be available to provide additional assistance if needed
- Remain within Legacy boundaries the entire time your children are at Legacy
- Pay tuition for classes on or before the Tuition Due date
- Submit a copy of the Declaration of Intent to homeschool by September 19, 2013, for each child in your family age 8 and older who is attending Legacy

This Registration Packet discusses the function of our co-op in detail. It is important that you read this packet thoroughly, including **LEGACY POLICIES AND EXPECTATIONS** on the following pages. Upon understanding how we function and what your responsibilities will be, you can determine whether Legacy is a good fit for you and your family. Parents are expected to review policies and expectations with their children prior to the first class. *Failure to fulfill the requirements listed above and/or adhere to the policies on the following pages will jeopardize your privilege to participate in this co-op.*

LEGACY POLICIES AND EXPECTATIONS

GENERAL POLICIES AT LEGACY

The heart of Legacy Homeschool Center is *homeschooling*, which necessitates parents' involvement in their children's education, classes, and day-to-day experiences to achieve maximum effectiveness.

Therefore, Legacy policy requires that a parent or permanent legal guardian remain within Legacy boundaries the entire time his or her children are at Legacy. Extended family members are not allowed to come in place of a parent other than pursuant to the Parent Absence Policy, defined below. Parents assume full responsibility for their children at all times while at Legacy.

Legacy students benefit immensely from the presence and influence of our dedicated parents on-site each week. As a cooperative organization, all parents are responsible to enforce co-op rules and expectations. This plays a vital role in ensuring a high standard is maintained for conduct, attitude, and safety at our co-op. Parents will be contacted if disciplinary problems arise. **Sitting in a car or dropping off children is not allowed.**

Parent Absence Policy: In order to limit the number of classes a student may need to miss due to unforeseen or unavoidable circumstances beyond a family's control, the Parent Absence Policy has been put in place. This policy allows for exemptions **up to three times per school year** for reasons deemed sufficient *to the family requesting the exemption*. A Parent Absence is defined as any instance in which someone other than one of the parents or permanent legal guardians listed on the Registration Contract has responsibility for any of the children listed on the Registration Contract for all or part of a day at Legacy, and each instance must be documented as one of the three allowed absences. Please keep in mind that the abuse of this policy by ONE family may jeopardize its continued implementation for ALL Legacy families. For this reason, we cannot stress enough the need for discernment in applying this exemption to your family's situation. For ongoing medical situations or other extenuating circumstances, please contact the Legacy Board.

Please be aware of the following steps you must take to send your children with an alternative adult temporary caregiver *up to three times per school year*. Please ensure that your children are fully aware of to whom they are accountable in your absence.

- A **Parent Off-site Form** (available at www.legacyhc.org under "Downloads & Forms") must be filled out completely and the Board notified of any exemptions. This form may be turned in at the Front Desk either in advance or upon arrival at Legacy on the day in question, and must include the following:
 - Reason for absence
 - Name, contact information, and signature of adult who is assuming responsibility for your children
 - Name of individual who is covering your co-op job
 - Parent's signature
 - Board member's signature (available at the Front Desk)
- It is highly recommended that a completed medical authorization form be signed and given to the adult who is assuming responsibility for your children. A sample **Medical Authorization Form** may be downloaded from the "Downloads & Forms" page of our website.
- If you are sending your children with an adult who is not part of a current Legacy family, they must register at the Front Desk as a visitor.

Undocumented absences, more than three absences per school year, and/or failure to provide for the completion of your co-op job during your absence will jeopardize your privilege to participate in this co-op.

Designated Legacy Co-op boundaries: DO NOT use areas of the church that OCC has not invited Legacy to use. EMPTY CLASSROOMS, THE GYM, THE CHAPEL, HALLWAYS BEHIND THE ELEVATORS, AND STAIRWELLS ARE OFF LIMITS unless you are in class, traveling to or from class, or exiting the building in the case of an emergency. In order to adequately account for each student during an emergency, children are expected to remain in class or in the Lunch Room (Room #3) at all times unless accompanied by a parent or responsible adult, or carrying a **hall pass**. Students may not loiter in the hallways.

Eating Areas: Please honor all OCC signs denoting where food and drinks are allowed. Room #3 (upstairs) and the tables downstairs in the hall near the elevator are the designated eating areas. Families are encouraged to eat together, and **each family is responsible for cleaning up after themselves**. Eating will not be permitted in the classrooms unless scheduled by the teacher.

LEGACY POLICIES AND EXPECTATIONS, continued

All parents and children are expected to treat other parents, teachers, students, and our host facility/staff with courtesy and respect at all times. This includes, but is not limited to, cleaning up after themselves, not talking loudly in areas where classes are in session, and not running in the building. When in the Lunch Room, please be courteous of other students or families completing their work. In addition, the following rules apply to building use at OCC:

- No knives or weapons, real or play (guns, etc.); alcohol; or illegal drugs will be permitted on church premises.
- No bikes, skateboards, scooters, or roller blades allowed on church premises.
- No pets are allowed on church premises except working service dogs.

Dress and conduct codes: In order to maintain an appropriate academic environment, all participants are expected to follow Legacy's dress and conduct codes.

- Clothing should be modest; excessive exposure of skin is inappropriate
- Skirt/short length must be below mid-thigh
- Bare midriffs, halter tops, spaghetti straps, and/or visible cleavage are unacceptable
- Underclothing should not be visible
- Shoes and shirts are required, both inside and outside the building
- Inappropriate physical affection and/or aggression will not be tolerated
- Foul language and/or bullying will not be tolerated

Emergency procedures: In case of a **fire**, alarms will sound and all children should be evacuated in a quiet and orderly manner along assigned routes through clearly marked exits to safe areas away from the building. Please do not run. All classes must remain together with their teacher and facilitator. A Board member will notify teachers and facilitators when it is safe to re-enter the building. Should we be unable to enter the building again, teachers and facilitators must remain with their classes until parents locate their children. In the event of an **earthquake**, everyone should immediately get under a table and assume the duck and cover position. It is important that you stay away from any windows and remain in the room until given further instructions. In the event of a **non-evacuation emergency**, please listen for complete instructions. We will have unannounced emergency drills throughout the year.

Sick or contagious family members and/or students may not attend Legacy.

Visitors to Legacy are required to sign in at the front desk and receive a name tag.

JOBS AT LEGACY

You will be required to fulfill an assigned job and to be available to provide additional assistance if needed. Jobs that are assigned include janitorial, setup, cleanup/restoration, monitoring, and facilitating. Although we strive to assign jobs in keeping with your schedule and other requests, **all jobs will be assigned based on the needs of Legacy.** Please understand that your particular job may require you to be at Legacy up to 30 minutes before or after your student's class(es). This means that if you are assigned a setup or cleanup/restoration job at the beginning or end of the day, your responsibilities may extend beyond the beginning or end of class time.

If you are unable to fulfill your assigned job due to an absence, it is YOUR responsibility to find a replacement so that your job will be completed. If you drop a class and will no longer be at Legacy for the hour that your job is scheduled, you are required to fulfill your job until a replacement is found, or you are given a new job. You will be contacted concerning your job prior to the start of classes in the fall.

CLASSES AT LEGACY

Legacy Homeschool Center does not employ teachers. They are under the employ of the families who have students attending their classes. For this reason, we do not pay the teachers; you, the parents, pay the teachers directly through a processor. The Board does, however, maintain supervisory authority. Each teacher must ascribe to our Statement of Faith and Mission Statement and submit to a Washington State Patrol Criminal History Background Check. While Legacy does its best to screen teachers for qualifications, we recognize that teaching style and personality vary among teachers and we in no way guarantee satisfaction with any particular teacher or class. Parents are encouraged to discuss concerns with the teacher before contacting the Board. For unresolved complaints based on personality or style, please withdraw quietly from the class without spreading dissension among other co-op families. For unresolved issues which are more serious in nature, please inform the Board of specific behaviors which have raised your concern, keeping in mind the need for discretion when discussing issues with others at Legacy.

Canceled classes: Classes may be canceled at any time at the Board's discretion. If class is canceled due to teacher's absence, children may be sent to the Lunch Room. In the event of class cancellation/teacher absence, reasonable effort will be made to notify parents prior to class time. Teachers work many hours outside the classroom; therefore, if class(es) are canceled, **tuition will not be refunded.**

LEGACY POLICIES AND EXPECTATIONS, continued

Class Enrollment: Students must obtain teacher permission to register for classes outside their grade/age range. Only students enrolled in the class are eligible to participate in class; **auditing (attending without paying tuition) is not permitted.** Parents are welcome and highly encouraged to sit in class **with their children**; however, parents are not eligible to enroll in classes. Parents who wish to sit in their student's class are encouraged to make alternative arrangements for their other children not enrolled in the class.

The Nursery is available for use by teachers and facilitators only, and only during the hour(s) they are in class. A one-time supply fee is due on the first day of Legacy in September. Please notify the Board if you will be using this service, and for which hour(s).

Waiting Lists: We cannot guarantee you will get the class(es) you request; however, each full class will maintain a waiting list. You may not be confirmed in a class and remain on the waiting list for a different class during the same hour. Students' names will be randomly selected to fill classes and waiting lists. Legacy reserves the right to prioritize enrollment of upperclassmen.

Pay tuition for classes on time. Payment must be turned in to the processing center at Legacy on or before the Tuition Due dates indicated on the Legacy Calendar (page 5). **Late payments will incur a late fee of \$20 per family per week.** Checks are made payable to the teacher and must include the student name and class hour on the memo line. Cash payments are given directly to a processor. Please do not give checks or cash directly to the teacher. **All tuition and fees paid are nonrefundable**, including all tuition and fees paid over the summer and any tuition that you choose to pay in advance during the school year. School district funds may not be used to pay for tuition, fees, and/or registration, or for the reimbursement thereof.

Dropping classes: Please register your children for classes with the intention of participating from September to June. While situations occasionally make it necessary to drop a class mid-year, please keep in mind that this may have a negative impact on the teacher and the other students in the class. If you choose to drop any classes, you must notify the processing center for each class that you are dropping. If you are dropping Legacy entirely, please notify the Registration Director in addition to notifying the processing center. When dropping a class, you will be required to pay an early withdrawal penalty equal to four weeks of tuition from the date that you give notice to the processing center. Your child is not permitted to attend the dropped class during this four week period.

Students are expected to come to class on time (5 minutes before class begins, but no more than 10 minutes early) and prepared with completed assignments and all required books and materials.

Cell phone use is not allowed during class; this includes text messaging. Please silence your cell phone during class. Any student using a cell phone in class may have their phone confiscated by the teacher or facilitator until the end of class.

COMMUNICATION AT LEGACY

The Legacy Bulletin will be sent out via email on Wednesday of each week Legacy is in session. Please read it completely for important updates and notification of upcoming events. If you are a current Legacy family and you are NOT receiving the bulletin, please inform the Board at info@legacyhc.org. The Legacy Bulletin will also be posted in the foyer near the mailboxes; please check this area and the whiteboard weekly for announcements.

Family Mailbox folders: Family mailbox folders are located in the foyer as a convenience for co-op participants to communicate co-op related information and to distribute approved literature. Mailboxes are not to be used for solicitation. Please check with the Board before distribution of material via the mailboxes. Legacy Homeschool Center is not responsible for the loss of any property distributed through or left in mailboxes. Each family mailbox folder will contain a current family schedule (parent maintained) to assist in locating parents/students as needed.

Bulletin board policy/disclaimer: A bulletin board in the foyer is available for notification and communication of homeschool information among co-op participants. Items included on the bulletin board do not necessarily constitute co-op board endorsement or promotion. As a nonprofit organization, we are prohibited by law from the "carrying on of propaganda, or otherwise attempting to influence legislation," neither shall we "participate in, or intervene in (including the publishing or distribution of statements) any political campaign on behalf of any candidate for public office."

Winter weather closure policy: In case of inclement weather, check the Legacy web site at www.legacyhc.org for closure information.

Emergency contact: We are independent of the church's operation and ask that you **do not call OCC regarding Legacy matters.** Please address all inquiries to Board members.

*IT IS THE RESPONSIBILITY OF PARENTS TO ADHERE TO THESE POLICIES AND TO ENFORCE THEM WITH THEIR CHILDREN.
THE LEGACY BOARD RESERVES THE RIGHT TO DENY PARTICIPATION TO ANY FAMILY OR STUDENT.
FAILURE TO COMPLY WITH THESE POLICIES WILL JEOPARDIZE YOUR FAMILY'S PRIVILEGE TO PARTICIPATE IN THIS CO-OP.
PLEASE RETAIN FOR FUTURE REFERENCE.*
